Good Soap Ingredients – Key Benefits

Shea Butter: Certified Fair Trade, handcrafted by Alaffia Shea Butter Cooperative in Togo, West Africa. Traditional, unrefined shea butter is extra moisturizing and protective.

Coconut Oil: Certified Fair Trade, virgin coconut oil is hand extracted using traditional fermentation method by Alaffia Coconut Cooperative in Togo, West Africa. Coconut adds additional moisture and antioxidants.

African Black Soap: Certified Fair Trade, African Black Soap is made following traditional, centuries-old recipe and methods by Alaffia Shea Butter Cooperative members in Togo, West Africa. Handcrafted, native oils – Shea Butter and Palm Kernel Oil are saponified with ashes to create a gentle, simple soap with multiple uses.

Goat Milk: Adds additional moisture and a luxurious feel to Good Soap.

Good Soap Community Impact

Good Soap sales fund Alaffia community empowerment projects in West Africa. Alaffia aims to empower individuals and their communities through long-term, effective projects with the end goal of poverty alleviation, gender equality and human rights for all.

Alaffia's community projects include:

Alaffia Bicycles for Education: Since 2006, Alaffia has distributed over 6,300 bicycles to rural, poor students in Togo. With emphasis on girls, the goal is to reduce the high dropout rate (91%) by providing a means of transportation to and from school.

Alaffia Maternal Health: In sub-Saharan Africa, 400 women die each day due to pregnancy or childbirth related causes. Alaffia provides pre-natal and delivery care to 1,000 disadvantaged women each year in rural Togo, saving mothers and babies for strong families and sustainable futures for our communities.

Alaffia Reforestation: Alaffia has planted over 42,600 trees in an effort to help our Togolese communities better withstand effects of climate change, to slow desertification and to increase food security for families.

Whole Planet Foundation – Supplier Alliance

Alaffia donates 1% of each Good Soap sale to the Whole Planet Foundation for Microcredit as part of our greater mission to encourage cooperation of people across the world in building sustainability in all communities.
