

Easter & Passover

REHEATING INSTRUCTIONS

All items are fully cooked, packed cold and may require reheating as directed. Unless otherwise noted, reheat all foods until internal temperature reaches 165°F. Check internal temperature with a cooking thermometer inserted into thickest part of the food (without touching the bone in meats). Reheating times may vary based on oven type, accuracy of temperature, container size, type and quantity of food or other variables.

Entrées

All entrées are fully cooked and should be removed from packaging and transferred to an oven-safe baking dish or roasting pan before reheating in the oven.

Spiral-Sliced Ham with Maple-Mustard Glaze

Preheat oven to 350°F. Remove ham from packaging. Discard packaging. Place ham cut-side down on a rack in roasting pan. Add ¼ inch water to the bottom of the roasting pan and cover pan with aluminum foil. Heat in the oven until heated through and golden brown, about 35 minutes. During final 10 minutes, remove foil and spoon glaze over ham, reserving some to serve as a sauce. If desired, broil during last five minutes to caramelize the glaze.

Garlic Rosemary Leg of Lamb

Preheat oven to 350°F. Remove lamb from packaging and transfer to oven-safe dish along with any liquid from the bag. Discard packaging. Heat in oven for 35–45 minutes or until heated through. Rest for 10 minutes before slicing.

Lemon Turkey Breast

Preheat oven to 350°F. Remove turkey from packaging and transfer to an oven-safe dish along with any liquid from the bag. Heat in the oven for 25–30 minutes until golden brown and heated through. Rest for 10 minutes before thinly slicing.

Prepared Salmon

Preheat oven to 350°F. Remove salmon from packaging and transfer to oven-safe dish. Add 1 tablespoon water per piece to the bottom of pan. Heat in oven for 10–12 minutes. Remove from pan with a flat spatula and serve.

Wine-Braised Brisket

Preheat oven to 350°F. Remove brisket from packaging and transfer to an oven-safe dish along with any liquid from the bag. Discard packaging. Heat in the oven for 20–30 minutes until heated through. Rest for 10 minutes before thinly slicing.

Side Dishes

OVEN

Preheat oven to 350°F. Transfer food to an oven-safe baking dish (for casseroles) or rimmed baking sheet (for roasted vegetables and potato pancakes) and cover with aluminum foil, parchment or an oven-safe lid. Heat each side dish for the suggested length of time, or longer if necessary, until heated through.

ALTERNATIVE METHOD: MICROWAVE

Note: For best results, potato pancakes should only be reheated in the oven and not microwaved.

Transfer food to a microwave-safe dish. Microwave on high for 2 minutes, then stir and microwave for additional 1- to 2-minute intervals as needed until heated through.

The following dishes from the Passover menu should not be reheated but instead served cold or at room temperature:

- Joan Nathan's Apple Pecan Charoset
- Joan Nathan's Bulgarian Roasted Red Pepper and Tomato Salad
- Chopped Chicken Liver
- Vegetarian Chopped Chick'n "Liver" with Matzo Meal
