We believe that taking the best care of yourself and the environment doesn't have to be a sacrifice! We hope that this will also encourage our vendor partners to invest in developing products that meet and exceed our standards which will be beneficial to our shoppers as well.

To learn more about the Premium Body Care Standards, please visit our website at:

The ingredient lists are subject to change as we learn more about new ingredients and as studies are done. All of our Whole Body products meet our rigorous standards, but the Premium Body Care Standards are for those product lines that have submitted detailed documentation about the products and ingredients and meet our enhanced standards. New products will be added periodically, so this list will change. We hope that you enjoy shopping at Whole Foods Market - now more than ever!
