CHOICES

## West Paces Ferry Store, South Region

Our Organic Body Care standards and shopping lists highlight body care products that have been third party certified organic and formulated to contain 70% or greater agriculturally based organic ingredients. We believe that taking the best care of yourself and the environment doesn't have to be a sacrifice. By only allowing "organic" claims on USDA or NSF 305 certified products, we are ensuring that "organic" has the same strong meaning on our grocery shelves, in our produce department and in Whole Body! Read more about our Organic Body Care Standards here:

All of our Whole Body products meet our rigorous standards; this list highlights products that are certified organic by a third party certifier to the NSF 305 or the USDA organic standards. New products will be added periodically, so this list will change. We hope that you enjoy shopping at Whole Foods Market - now more than ever!
