Consumer Product Label Information

DIRECTIONS: Follow fabric care label instructions. Determine the size of your load to avoid overloading your washer. Depending on load size place 1 to 2 laundry packs at the back or bottom of the machine drum. Do not place in the dispenser drawer. Place clothes into the washer. Select appropriate wash cycle that lasts at least 15 minutes. Only use dry hands to handle packs and reseal pouch after each use. Child-Resistant Zipper: line up the red slider to notch on white zipper track, press the slider down, and move it to the right to open while holding the slider down. Fully re-zip the package to close after each use.

WARNING: Concentrated detergent packets can burst if children put them in mouth or play with them. The liquid inside is harmful if put in mouth, swallowed, or in eyes. Keep packets out of reach of children. • Store container where children cannot reach or climb to it, out of sight and in a secure place. • Keep container fully closed. • Never leave any packets out of container. • DO NOT let children handle packets, even if supervised. Avoid breaking packets. • Do not handle packets with wet or moist hands. Do not expose packets to moisture. Do not cut or puncture packets. If packets stick together, do not try to separate them. Call poison control center immediately if detergent gets in mouth or eye or on skin. Immediately and thoroughly rinse eye or skin with water for 20 min.

STORAGE & DISPOSAL: Store at room temperature. Store sealed pouch in a dry location at room temperature.
