

## Whole Foods Market - Quality Standards

### Body Care Ingredients

Generated on May 5, 2014

This document is intended for internal company use to assist WFM buyers in making purchasing decisions. Products that do not meet the ingredient standards of this document may not be sold within the product category noted above at Whole Foods Market. We reserve the right to add or remove ingredient terms from the quality standards list or to change the acceptable/unacceptable status of any ingredient at any time. For more information about using these lists, please see <http://rock.wholefoods.com/?p=1034>. Please make sure that you are using a recently updated list; current quality standards lists are available from the Quality Standards website at <http://connect/global/qshe/qualitystandards/food>. If you have any questions about this list, please contact the quality standards team at [qs.team@wholefoods.com](mailto:qs.team@wholefoods.com).

#### Acceptable and unacceptable ingredients for regular (not premium) body care products.

Item Name	Type	Status	Qualifier	Functions
C12-15 alkyl lactate	Body Care	acceptable		surfactant
Glyceryl stearate citrate	Body Care	acceptable		emollient
1,2 hexanediol	Body Care	acceptable		solvent
2-carboxy-1methylpyridinium chloride	Body Care	acceptable		skin conditioning agent
2-propanone	Body Care	acceptable	In nail polish remover only	solvent
AA2G-Ascorbyl Glucoside	Body Care	acceptable		skin lightener, antioxidant
Acacia Decurrens/Jojoba/Sunflower Seed Wax/Polyglyceryl - 3 Esters	Body Care	acceptable		texturizer
acetamide MEA	Body Care	acceptable		surfactant
acetone	Body Care	unacceptable	found in nail polish remover	solvent
acetyl hexapeptide, acetyl hexapeptide -3	Body Care	acceptable		active
Acetyl Tetrapeptide-5	Body Care	acceptable		humectant
acrylates copolymer	Body Care	acceptable		viscosity builder
acrylic acid/vp crosspolymer	Body Care	acceptable		hair conditioner
aerosol sprays	Body Care	acceptable		propellant
AHAs	Body Care	acceptable		chemical peel
alanine glutamate	Body Care	acceptable		active
alcloxa	Body Care	unacceptable	Synthetic aluminum compound	deodorant
aldioxa	Body Care	acceptable		astringent, buffer
algae extract	Body Care	acceptable		humectant, skin conditioning agent
algin	Body Care	acceptable		thickener, stabilizer
alginate	Body Care	acceptable		gelling agent, thickener
alginic acid	Body Care	acceptable		humectant, thickener, stabilizer
alkyl benzoate	Body Care	acceptable		solvent
alkyl polyglucoside	Body Care	acceptable		surfactant
alkyldimethylamine oxide	Body Care	acceptable		surfactant

Item Name	Type	Status	Qualifier	Functions
allantoin	Body Care	acceptable		herbal constituent (comfrey); skin conditioning
aloe	Body Care	acceptable		skin conditioning
alpha arbutin	Body Care	acceptable		skin lightening agent
alpha bisabolol	Body Care	acceptable		herbal constituent (chamomile)
alpha hydroxy acids	Body Care	acceptable		chemical peel
Alpha Lipoic Acid	Body Care	acceptable		antioxidant
alpha tocopherol	Body Care	acceptable		nutrient (Vitamin E), antioxidant
alpha tocopherol acetate	Body Care	acceptable		nutrient (Vitamin E), antioxidant
Aluminum Chloride Hexahydrate	Body Care	unacceptable	synthetic aluminum compound	mineral
aluminum chlorohydrate	Body Care	unacceptable		active
aluminum glycinate	Body Care	acceptable		buffering
aluminum hydroxide	Body Care	acceptable		pH adjuster
aluminum oxide	Body Care	acceptable		sunblock/sunscreen
aluminum powder	Body Care	unacceptable	Acceptable if naturally-derived	mineral
amber teething necklace	Body Care	unacceptable		mineral
amino-guanadine	Body Care	acceptable	must relabel in order to use	non-INCI name
aminomethyl propanol	Body Care	acceptable		pH adjuster
Aminopropyl Ascorbyl Phosphate	Body Care	acceptable		
ammonia	Body Care	unacceptable		pH adjuster, solvent
ammonium alum	Body Care	acceptable		deodorant
ammonium chloride	Body Care	acceptable		salt
ammonium cocoyl isethionate	Body Care	acceptable		Surfactant
Ammonium glycyrrhizate	Body Care	acceptable		flavoring agent, fragrance, skin conditioning
ammonium laureth sulfate	Body Care	acceptable		surfactant
ammonium lauryl sulfate	Body Care	acceptable		surfactant
ammonium polacrylate	Body Care	acceptable		viscosity builder
Ammonium stearate	Body Care	acceptable		Surfactant
ammonium xylene sulfonate	Body Care	unacceptable		surfactant
amodimethicone	Body Care	acceptable		silicone derivative
AMP	Body Care	acceptable	must relabel in order to use	pH adjuster; non-INCI compliant term
Anhydroxylitol	Body Care	acceptable		humectant, skin conditioning agent
annato	Body Care	acceptable		natural color
arachidic acid	Body Care	acceptable		etc.), plasticizer (from peanut oil, lubricant
arachidonic acid	Body Care	acceptable		emulsifier
arachidyl alcohol	Body Care	acceptable		viscosity builder
arachidyl glucoside	Body Care	acceptable		surfactant, emusifier

Item Name	Type	Status	Qualifier	Functions
arachidyl propionate	Body Care	acceptable		nutrient, lubricant
Arbutin	Body Care	acceptable		skin lightening agent
Arginine	Body Care	acceptable		conditioning agent
artificial colors	Body Care	unacceptable	Acceptable in non-Premium color cosmetics and hair dyes	colorant (artificial)
ascorbates	Body Care	acceptable		nutrient (Vitamin C), antioxidant
ascorbic acid	Body Care	acceptable		pH adjuster, nutrient (Vitamin C), antioxidant
ascorbyl palmitate	Body Care	acceptable		nutrient (Vitamin C), antioxidant
Ascorbyl tetraisopalmitate	Body Care	acceptable		vitamin C
atelocollagen	Body Care	acceptable		skin conditioning agent
avobenzone	Body Care	acceptable		sunscreen
avocado oil	Body Care	acceptable		emollient
awapuhi	Body Care	acceptable		astringent
azelaic acid	Body Care	acceptable		pH adjuster, anti-acne
azulene	Body Care	acceptable		detoxifier, analgesic
babassuamidopropalkonium chloride	Body Care	acceptable		conditioner and emulsifier
babassuamidopropyl betaine	Body Care	acceptable		conditioning agent, surfactant
beeswax	Body Care	acceptable		flavoring agent, base, coating agent
behenalkonium chloride	Body Care	acceptable		conditioner and emulsifier
behenamidopropyl hydroxyethyl dimonium chloride	Body Care	acceptable		conditioner and emulsifier
behenic acid	Body Care	acceptable		opacifier, emulsifier
behenoxy dimethicone	Body Care	acceptable		silicone derivative
behentrimonium chloride	Body Care	acceptable		Antistat, Hair conditioner, Conditioner, Surfactant-cationic
behentrimonium methosulfate	Body Care	acceptable		ester
behenyl alcohol	Body Care	acceptable		viscosity builder
bentonite	Body Care	acceptable		detoxifier, bulking agent
benzalkonium chloride	Body Care	acceptable		quat
benzethonium chloride	Body Care	unacceptable		anti-bacterial
benzoates in body care	Body Care	acceptable		preservative
benzocaine	Body Care	unacceptable		active
benzoic acid	Body Care	acceptable		preservative
benzophenone	Body Care	acceptable		sunscreen
benzyl alcohol	Body Care	acceptable		antimicrobial
Benzyl Benzoate	Body Care	acceptable		fragrance
benzyl PCA	Body Care	acceptable	non-INCI	active
Benzyl Salicylate	Body Care	acceptable		fragrance
beta-carotene	Body Care	acceptable		nutrient, antioxidant, colorant

Item Name	Type	Status	Qualifier	Functions
betaglucan	Body Care	acceptable		active
betaine	Body Care	acceptable		surfactant
BHA (butylated hydroxyanisole)	Body Care	unacceptable		preservative
BHT (butylated hydroxytoluene)	Body Care	unacceptable		preservative
Biosaccharide Gum-1	Body Care	acceptable		skin conditioning agent
biotin	Body Care	acceptable		nutrient
Bis Diglyceryl Polyaclyadipate-2	Body Care	acceptable		active
Bis-Behenyl/Isostearyl/Phytosteryl Dimer Dilinoleyl Dimer Dilinoleate	Body Care	acceptable		skin conditioning agent, emollient
bisababol	Body Care	acceptable		essential oil (chamomile)
bismuth oxychloride	Body Care	acceptable		colorant
Bloodroot salve	Body Care	unacceptable	Unacceptable as stand-alone product; QS approval is required when used as a sub-ingredient	herb
Blue WS 1430	Body Care	acceptable		colorant
borax	Body Care	acceptable		mineral
boron nitride	Body Care	acceptable		mineral
brassica campestris/aleurites fordi oil copolymer	Body Care	acceptable		viscosity builder
Brassicamidopropyl Dimethylamine	Body Care	acceptable		Hair conditioner
Brassicyl Isoleucinate Esylate (and) Brassica Alcohol	Body Care	acceptable		Emulsifier
Brassicyl Isoleucinate Esylate (and) Brassica Glycerides (and)	Body Care	acceptable		Emulsifier
Brazil nut oil	Body Care	acceptable		oil
bromelain	Body Care	acceptable		enzyme
bronopol	Body Care	unacceptable		preservative
bumetrizole	Body Care	acceptable		sunscreen
butoxyethanol	Body Care	unacceptable		solvent
butterbur for external use	Body Care	acceptable	for external use only	herb
Butyl methoxydibenzoylmethane	Body Care	acceptable		sunscreen
butyl stearate	Body Care	acceptable		emulsifier, solvent
butylene glycol	Body Care	acceptable		humectant, solvent
butylene/ethylene/styrene copolymer	Body Care	acceptable		viscosity increasing agent
butylparaben	Body Care	acceptable	Unacceptable in oral care products	preservative
Butylphenyl methylpropanol	Body Care	acceptable		fragrance
C 11-15 Pareth 12	Body Care	acceptable		surfactant
C 12-14 Olefin Sulfonate	Body Care	acceptable		surfactant
C 12-15 Alkyl benzoate	Body Care	acceptable		solvent
C 12-15 Alkyl octanoate	Body Care	acceptable		surfactant

Item Name	Type	Status	Qualifier	Functions
C 12-20 alkyl glucoside	Body Care	acceptable		surfactant
C 13-14 Isoparaffin	Body Care	acceptable		surfactant
C12-20 Acid PEG-8 Ester	Body Care	acceptable		humectant, solvent
C14-22 alcohols	Body Care	acceptable		emulsion stabilizer
C18-38 alkyl hydroxystearol stearate	Body Care	acceptable		emulsion stabilizer, emollient
caffeine	Body Care	acceptable		skin conditioning agent
cajeput	Body Care	acceptable		analgesic, aromatic oil
Calcium Aluminum Borosilicate Silica	Body Care	acceptable		bulking agent
calcium ascorbate	Body Care	acceptable		vitamin
calcium carbonate	Body Care	acceptable		anti-caking agent, nutrient
Calcium citrate	Body Care	not reviewed		pH adjuster, buffering agent
calcium D-pantothenate	Body Care	acceptable		nutrient, emollient
calcium gluconate	Body Care	acceptable		active
calcium hydroxide	Body Care	acceptable		ph control agent
calcium lactate	Body Care	acceptable		nutrient
Calcium silicate	Body Care	acceptable		absorbent
calcium sodium borosilicate	Body Care	acceptable		mineral
camphor	Body Care	acceptable		analgesic, antiseptic, aromatic oil
candelilla wax	Body Care	acceptable		binder, base
candelilla/jojoba/rice bran polyglyceryl-3 esters	Body Care	acceptable		ester
capric/caprylic triglycerides	Body Care	acceptable		emulsifier, lubricant, fatty acid
capryl isostearate	Body Care	acceptable		emulsifier, lubricant
caprylhydroxamic acid	Body Care	acceptable	also listed as caprylohydroxamic acid	preservative
caprylic acid	Body Care	acceptable		lubricant, emulsifier, fatty acid
Caprylic/Capric Triglyceride (and) Diacetyl Boldine	Body Care	acceptable		skin brightener
Caprylohydroxamic acid	Body Care	acceptable		preservative
Capryloyl Glycerin	Body Care	acceptable		lubricant
capryloyl glycine	Body Care	acceptable		preservative
caprylyl glycol	Body Care	acceptable		preservative
Caprylyl/capryl glucoside	Body Care	acceptable		lubricant, emulsifier, fatty acid
Capsaicin	Body Care	acceptable		analgesic
caramel color	Body Care	acceptable		colorant (natural)
carbomer	Body Care	acceptable		gelling agent, thickener, stabilizer
Carbowax (see polyethylene glycol)	Body Care	acceptable		moisture retardant, flavoring agent, Filler
carboxymethylcellulose	Body Care	acceptable		binder, thickener, stabilizer
carmine	Body Care	acceptable	cannot be represented as "animal free" product; OK for cosmetics	colorant (natural)

Item Name	Type	Status	Qualifier	Functions
carnauba wax	Body Care	acceptable		formulation aid, lubricant
Carnitine	Body Care	acceptable		skin conditioning agent, Surfactant
carotene	Body Care	acceptable		nutrient, colorant (natural)
carrageenan	Body Care	acceptable		thickener, stabilizer
castor oil	Body Care	acceptable		oil
castor oil/IPDI copolymer	Body Care	acceptable		polymer
Castoryl maleate	Body Care	acceptable		skin conditioning
CDE (see cocomide DEA)	Body Care	unacceptable		surfactant
cellulose	Body Care	acceptable		fiber source, thickener, stabilizer
cellulose gum	Body Care	acceptable		fiber source, thickener, stabilizer
cellulose, methyl	Body Care	acceptable		fiber source, thickener, stabilizer
ceramide 2, 3	Body Care	acceptable		active
ceresin	Body Care	acceptable		viscosity builder
certified colors	Body Care	acceptable	in cosmetics only	colorant (artificial)
ceteareth 2 - 100	Body Care	acceptable		emulsifier, lubricant, emollient
ceteareth 5 - 20	Body Care	acceptable		emulsifier, lubricant, emollient
cetearyl alcohol	Body Care	acceptable		emulsifier, emollient
Cetearyl Ethylhexanote	Body Care	acceptable		RELABEL: non-INCI name
Cetearyl Glucoside	Body Care	acceptable		surfactant
cetearyl isononoate	Body Care	acceptable		emollient
cetearyl methicone	Body Care	acceptable		silicone derivative
cetearyl olivate	Body Care	acceptable		emollient
Cetearyl Wheat Straw Glycosides	Body Care	acceptable		Surfactant
Ceteth -20 Phosphate	Body Care	acceptable		surfactant
cetrimonium bromide	Body Care	acceptable		quat
cetrimonium chloride	Body Care	acceptable		quat
cetyl alcohol	Body Care	acceptable		emulsifier
Cetyl Babassuate	Body Care	acceptable		skin conditioning agent, emollient
cetyl betaine	Body Care	acceptable		emollient
cetyl esters	Body Care	acceptable		emollients, emulsifiers
cetyl lactate	Body Care	acceptable		emollient
Cetyl palmitate	Body Care	acceptable		emollient
cetyl phosphate	Body Care	acceptable		emulsifier
cetyl ricinoleate	Body Care	acceptable		active
Cetylpyridinium Chloride	Body Care	unacceptable	Unacceptable for oral care	oral care, anti-microbial, emulsifiers
chlorophyll	Body Care	acceptable		coloring agent, nutrient
chlorophyllin copper complex	Body Care	acceptable		coloring agent
chlorphenesin	Body Care	unacceptable		preservative

Item Name	Type	Status	Qualifier	Functions
Choline chloride	Body Care	acceptable		nutrient
chromium hydroxide green (see also FD&C Colors)	Body Care	acceptable	in cosmetics only	colorant
Cinnamal	Body Care	acceptable	only from natural source	EO substiant
Cinnamidopropyltrimonium chloride	Body Care	acceptable		anti static agent; conditioning agent
Citral	Body Care	acceptable	only from natural source	EO substiant
citric acid	Body Care	acceptable		pH control agent, stabilizer
citronella	Body Care	acceptable		insect repellent, aromatic oil
Citronellol	Body Care	acceptable		EO substiant
Cocamide DEA	Body Care	unacceptable		sudsing agent
Cocamide DIPA	Body Care	acceptable		sudsing agent
Cocamide MEA	Body Care	acceptable		surfactant
cocamide MIPA	Body Care	acceptable		surfactant
Cocamidopropyl betaine	Body Care	acceptable		surfactant
Cocamidopropyl hydroxysultaine	Body Care	acceptable		surfactant
cocamidopropyl PG-dimonium chloride phosphate	Body Care	acceptable		quat
Cocamidopropylamine Oxide	Body Care	acceptable		surfactant
cocamine oxide	Body Care	acceptable		surfactant
cochineal	Body Care	acceptable	in cosmetics only	colorant
coco betaine	Body Care	acceptable		surfactant
Coco-Caprylate	Body Care	acceptable		emollient
Coco-caprylate/capratae	Body Care	acceptable		emollient, skin conditioning
Coco-glucoside	Body Care	acceptable		surfactant
Cocoa butter	Body Care	acceptable		emollient
Cocoamphocarboxyglycinate	Body Care	acceptable	INCI noncompliant name	RELABEL: non-INCI name
Cocodimonium Hydroxypropyl Hydrolyzed Rice Protein	Body Care	acceptable		anti static agent; conditioning agent
Cocoglucosides hydroxypropyltrimonium chloride	Body Care	acceptable		conditioning agent, quat
Cocoglycerides	Body Care	acceptable		skin conditioning agent
Coconut alkanes	Body Care	acceptable		emollient
coconut fatty acid	Body Care	acceptable		Surfactant
coconut oil	Body Care	acceptable		fat, emulsifier
collagen	Body Care	acceptable		nutrient (protein)
collagen amino acids	Body Care	acceptable		nutrient (protein)
colloidal anhydrous silica	Body Care	acceptable		abrasive, absorbent
colloidal minerals	Body Care	acceptable	with very few exceptions - see <a href="http://w3/wf_library/colloidalminerals.html">http://w3/wf_library/colloidalminerals.html</a>	suspension preparation of minerals

Item Name	Type	Status	Qualifier	Functions
colloidal silver	Body Care	acceptable	but requires a shelf talker; see article on team member network library.	dietary supplement
comfrey	Body Care	acceptable	for external use only	expectorant, demulcent, astringent, vulnerary
Copper disodium EDTA	Body Care	acceptable		chelator, colorant
Copper gluconate	Body Care	acceptable		skin conditioning agent
Copper PCA	Body Care	acceptable		humectant
CoQ10	Body Care	acceptable		active
corn glycol	Body Care	acceptable	INCI is propanediol	glycol substitute
corn starch	Body Care	acceptable		thickener
Coumarin	Body Care	acceptable	only if natural source	EO substiant
Cyamopsis Tetragonoloba	Body Care	acceptable		thickener, Emulsifier, stabilizer
cyclodextrin	Body Care	acceptable		chelator, absorbent
Cyclomethicone	Body Care	acceptable		silicone derivative
Cyclopentasiloxane	Body Care	acceptable		silicone derivative
cyclotetrasiloxane	Body Care	acceptable		silicone derivative
D-Pantothenate (see calcium D-Pantothenate)	Body Care	acceptable		nutrient, emollient
decyl glucoside	Body Care	acceptable		surfactant
decyl oleate	Body Care	acceptable		absorbant
decyl polyglucose	Body Care	acceptable		surfactant
dehydroacetic acid	Body Care	acceptable		preservative
dehydroxanthan gum	Body Care	acceptable		thickener
delta decalactone	Body Care	acceptable		fragrance
denatured alcohol (SD 38 & 40 only)	Body Care	acceptable		preservative
dextrin	Body Care	acceptable		thickener, emollient, filler
Dextrin Palmitate	Body Care	acceptable		anticaking agent, surfactant
diazolidinyl urea	Body Care	acceptable		preservative
dicalcium phosphate	Body Care	acceptable		binder, texturizer, nutrient
Dicapryl Sodium Sulfosuccinate	Body Care	acceptable		surfactant
dicaprylyl carbonate	Body Care	acceptable		emollient, skin conditioning
dicaprylyl ether	Body Care	acceptable		skin conditioning agent, emollient
Dicetyl Phosphate	Body Care	acceptable		emulsifier
dicetyldimonium chloride	Body Care	acceptable		quat
diethanolamine (DEA)	Body Care	unacceptable		surfactant
dihydroxyacetone	Body Care	acceptable		Skin Lightening agent
diisopropyl dimerate	Body Care	acceptable		texturizer, emollient
Diisostearyl Malate	Body Care	acceptable		skin conditioning agent, emollient
dimethicone	Body Care	acceptable		dispersing agent, lubricant

Item Name	Type	Status	Qualifier	Functions
dimethicone copolyol	Body Care	acceptable		silicone derivative
dimethicone crosspolymer-3	Body Care	acceptable		silicone derivative
Dimethicone glycereth-2 cocoate	Body Care	acceptable		silicone derivative
Dimethiconol	Body Care	acceptable		silicone derivative
dimethyl adipate	Body Care	acceptable		solvent
dimethyl capramide	Body Care	acceptable		solvent
dimethyl glutarate	Body Care	acceptable		solvent
Dimethyl Lauramine Oleate	Body Care	acceptable		surfactant
Dimethyl oxobenzo dioasilane	Body Care	acceptable		sunscreen
dimethyl succinate	Body Care	acceptable		solvent
Dimethyl Sulfone/Methylsulfonyl Methane (MSM)	Body Care	acceptable		solvent
dimethylmethoxy chromanyl palmitate	Body Care	unacceptable		Skin Lightening agent
dimethylpolysiloxane	Body Care	unacceptable		antifoaming agent
Diethyl adipate	Body Care	acceptable		pH control agent
dioctyl sodium sulfosuccinate (DSS)	Body Care	unacceptable		emulsifier, stabilizer
dipalmitoyl hydroxyproline	Body Care	acceptable		active
Dipentaerythryl	Body Care	acceptable		RELABEL: non-INCI name
dipentaerythryl hexahydroxystearate/hexastearate/hexaerosinate	Body Care	acceptable		skin conditioning agent
dipolyhydroxystearate	Body Care	acceptable		emulsifier
Dipotassium Glycyrrhizate	Body Care	acceptable		skin conditioning agent
dipropyl adipate	Body Care	acceptable		conditioning agent
dipropylene glycol	Body Care	acceptable		humectant, solvent
Disodium Coco-Glucoside Citrate	Body Care	acceptable		surfactant
Disodium Coco-Glucoside Sulfosuccinate	Body Care	acceptable		surfactant
disodium cocoamphodiacetate	Body Care	acceptable		surfactant
Disodium Cocoamphodipropionate	Body Care	acceptable		surfactant
Disodium Cocoyl Glutamate	Body Care	acceptable	in rinse off products only	surfactant
disodium EDTA	Body Care	acceptable		sequestrant
Disodium laureth sulfosuccinate	Body Care	acceptable	non-INCI	surfactant
Disodium Lauroamphodiacetate	Body Care	acceptable		Surfactant
disodium oleamido succinate	Body Care	acceptable		surfactant
Disodium Soyamphodiacetate	Body Care	acceptable		Surfactant
Disodium Wheatgermamphodiacetate	Body Care	acceptable		Surfactant
Distarch Phospate Acetate	Body Care	acceptable		bulking agent, stabilizer/texturizer
distearate 75	Body Care	acceptable		thickener
Disteardimonium Hectoride	Body Care	acceptable		quat

Item Name	Type	Status	Qualifier	Functions
DMAE	Body Care	acceptable		active
DMDM hydantoin	Body Care	acceptable		preservative, anti-microbial
docosanoic acid (see behenic acid)	Body Care	acceptable		opacifier, emulsifier
dragon's blood extract	Body Care	acceptable		colorant
EDTA	Body Care	acceptable		sequestrant, antioxidant
EGMS	Body Care	acceptable		Emulsifier; relabel: non-INCI name
elastin	Body Care	acceptable		nutrient (protein)
emu oil	Body Care	unacceptable		emollient
emulsifying wax	Body Care	acceptable		wax
Emulsifying wax nf	Body Care	acceptable		Emulsifier
Epsom salt	Body Care	acceptable		mineral
Equine oil	Body Care	unacceptable		
ergothioneine	Body Care	acceptable		antioxidant
erythulose	Body Care	acceptable		self-tanner
essential oils	Body Care	acceptable		fragrance
ethoxydiglycol	Body Care	acceptable		humectant
ethoxydiglycol oleate	Body Care	acceptable		surfactant
ethyl acetate	Body Care	acceptable	in nail polish only	solvent
ethyl alcohol	Body Care	acceptable		preservative
ethyl diglycol (see polyethylene glycol)	Body Care	acceptable	non-INCI	moisture retardant, flavoring agent, Filler
ethyl lauroyl arginate HCl	Body Care	acceptable		preservative
Ethyl Macadamiate	Body Care	acceptable		skin conditioning agent, emollient
ethyl methoxycinnamate	Body Care	acceptable		sunscreen
Ethyl Palmate	Body Care	acceptable		preservative
ethyl vanillin	Body Care	acceptable		flavoring agent (artificial)
ethylene glycol	Body Care	acceptable		solvent
Ethylhexyl diglycerin	Body Care	acceptable		preservative
ethylhexyl glycerin	Body Care	acceptable		preservative
Ethylhexyl Hydroxystearate	Body Care	acceptable		fatty acid based
Ethylhexyl isononanoate	Body Care	acceptable		skin conditioning agent
Ethylhexyl Methoxycrylene	Body Care	acceptable		stabilizer
ethylhexyl palmitate	Body Care	acceptable		fatty acid based
Ethylhexyl palmitate	Body Care	acceptable		emollient
Ethylhexyl Salicylate	Body Care	acceptable		exfoliant, conditioning agent
Eugenol	Body Care	acceptable	only if natural source	EO substiant
Farnesol	Body Care	acceptable	only if natural source	EO substiant
FD & C colors	Body Care	unacceptable	Acceptable in non-Premium color cosmetics and hair dyes only	colorant (artificial)

Item Name	Type	Status	Qualifier	Functions
FD & C colors in face paints	Body Care	unacceptable		artificial color
ferric oxide (red, black, etc)	Body Care	acceptable		colorant
ferrous gluconate	Body Care	acceptable		colorant (iron), nutrient
Ferulic Acid	Body Care	acceptable		preservative, antioxidant
fluoride	Body Care	acceptable	only if natural source; updated 9-08	nutrient
formaldehyde	Body Care	unacceptable		preservative
fragrance, synthetic (botanical fragrance, parfum, etc.)	Body Care	acceptable		fragrance
Fullerenes	Body Care	acceptable		active
galactoarabinan	Body Care	acceptable		film former
gelatin	Body Care	acceptable		gelling agent
gellan gum	Body Care	acceptable		emulsion stabilizer
Geraniol	Body Care	acceptable	only if natural source	fragrance
germaben	Body Care	acceptable		preservative; CONTAINS PARABENS
germall	Body Care	acceptable	INCI noncompliant name	Preservative
gluconic acid	Body Care	acceptable		preservative, humectant, skin conditioning
glucono-delta-lactone	Body Care	acceptable		skin conditioning agent, chelator
Gluconolactone	Body Care	acceptable		humectant
Glucose	Body Care	acceptable		humectant, skin conditioning agent
glucose oxidase	Body Care	acceptable		preservative
Glutamic acid	Body Care	acceptable		non-essential amino acid
Glycereth-2 cocoate	Body Care	acceptable		surfactant
Glycereth-26	Body Care	acceptable		surfactant
glycereth-7 cocoate	Body Care	acceptable		surfactant
glycerin	Body Care	acceptable		humectant, flavor & color solvent
glycerol ricinoleate	Body Care	acceptable		humectant
Glyceryl (tetradecanoate/hexadecanoate/octadecanoate/ricinoleate/eicosadioate)	Body Care	acceptable		Surfactant, skin conditioning
glyceryl caprate	Body Care	acceptable		ester
Glyceryl Caprylate	Body Care	acceptable		emulsifier
glyceryl citrate	Body Care	acceptable		skin conditioning agent, emusifier
glyceryl cocoate	Body Care	acceptable		emulsifier, surfactant
Glyceryl dilaurate	Body Care	acceptable		skin conditioning agent, surfactant
glyceryl isostearate	Body Care	acceptable		skin conditioning agent
glyceryl laurate	Body Care	acceptable		preservative, skin conditioning agent, surfactant, emollient
glyceryl monolaurate, monocaprylate	Body Care	acceptable		emulsifier
Glyceryl monostearate	Body Care	acceptable		Surfactant

Item Name	Type	Status	Qualifier	Functions
glyceryl oleate	Body Care	acceptable		emulsifier
glyceryl polyacrylate	Body Care	acceptable		polymer
Glyceryl rosinat	Body Care	acceptable		skin conditioning agent, fragrance
glyceryl stearate	Body Care	acceptable		humectant, emulsifier
Glyceryl Stearate SE	Body Care	acceptable		Emulsifier
glyceryl undecylenate	Body Care	acceptable		preservative
Glycine Soja	Body Care	acceptable		oil
glycol distearate	Body Care	acceptable		conditioning agent
glycol palmitate	Body Care	acceptable		conditioning agent
glycol stearate	Body Care	acceptable		emulsifier, emollient
glycolic acid	Body Care	acceptable		chemical peel
Glycosaminoglycans	Body Care	acceptable		skin conditioning agent, emollient
grapefruit seed extract	Body Care	acceptable	must be paraben-free and backed by documentation	preservative, bactericide, stabilizer
Guaiazulene	Body Care	acceptable		fragrance, colorant
guar gum	Body Care	acceptable		thickener, emulsifier, stabilizer
guar hydroxypropyltrimonium chloride	Body Care	acceptable		quat
Guar Hydroxypropyltrimonium Chloride	Body Care	acceptable		anti static agent; conditioning agent
gum acacia	Body Care	acceptable		stabilizer
gum arabic	Body Care	acceptable		emulsifier, stabilizer
gum benzoin (resin)	Body Care	acceptable		preservative
gum tragacanth	Body Care	acceptable		thickener, emulsifier
hectorite	Body Care	acceptable		gelling agent, thickener
henna	Body Care	acceptable		colorant
heptyl undecylenate	Body Care	acceptable		skin conditioning agent
herbal extracts	Body Care	acceptable		active
Hexadecanol	Body Care	acceptable		Wax; Relabel: non-INCI name
Hexadecyl Isononanoate	Body Care	acceptable		skin conditioning agent
Hexahydroxystearate/ Hexastearate/Hexarosinate	Body Care	acceptable		Ester; Relabel: non-INCI name
hexyl laurate	Body Care	acceptable		skin conditioning agent, emollient
hexyldecanol	Body Care	acceptable		skin conditioning agent, emollient
hexyldecyl laurate	Body Care	acceptable		skin conditioning agent, emollient
hexylene glycol	Body Care	acceptable		preservative
hexylresorcinol	Body Care	unacceptable		skin lightener
homosalate	Body Care	acceptable		sunscreen
human placental protein	Body Care	unacceptable		active
hyaluronic acid	Body Care	acceptable		binder

Item Name	Type	Status	Qualifier	Functions
hydrogen peroxide	Body Care	acceptable	Stand-alone OTC acceptable only; teeth-whitening products are acceptable on a case by case basis after review by the QS team	antiseptic, OTC drug
hydrogenated oils	Body Care	acceptable		protective barrier, lubricant
Hydrogenated Palm Kernel Glycerides	Body Care	acceptable		skin conditioning agent
Hydrogenated Polydecene	Body Care	acceptable	in cosmetics only	Viscosity builder
hydrogenated vegetable glyceride	Body Care	acceptable		texturizer
Hydrogenated Vegetable Oil	Body Care	acceptable		protective barrier, lubricant
hydrolyzed collagen	Body Care	acceptable		nutrient (protein source)
Hydrolyzed corn starch	Body Care	acceptable		thickener
Hydrolyzed glycosaminoglycans	Body Care	acceptable		humectant, conditioning agent
hydrolyzed lecithin	Body Care	acceptable		conditioning agent
Hydrolyzed mucopolysaccharides	Body Care	acceptable		conditioning agent
hydrolyzed plant protein	Body Care	acceptable		hair conditioner
hydrolyzed protein	Body Care	acceptable		nutrient
hydrolyzed soy protein	Body Care	acceptable		hair conditioner
hydrolyzed vegetable protein	Body Care	acceptable		hair conditioner
Hydrolyzed Vegetable Protein PG-Propyl Silanetriol	Body Care	acceptable		hair conditioner, skin conditioning
hydroquinone	Body Care	unacceptable		bleaching agent
hydrotalcite	Body Care	acceptable		mineral
Hydroxyethyl Acrylate/Sodium Acryloyldimethyl Taurate Copolymer	Body Care	acceptable		polymer
Hydroxyethyl Soyamide	Body Care	acceptable		RELABEL: non-INCI name
Hydroxyethyl urea	Body Care	acceptable		humectant, conditioning agent
hydroxyethylcellulose	Body Care	acceptable		thickener
Hydroxyethylcellulose	Body Care	acceptable		thickening agent
hydroxymethylcellulose	Body Care	acceptable		thickener
hydroxypropyl guar	Body Care	acceptable		film stability, lubricant
hydroxypropyl methylcellulose	Body Care	acceptable		thickener
Hydroxypropyl Polysiloxane	Body Care	acceptable		silicone derivative
Hydroxypropyl starch phosphate	Body Care	acceptable		bulking agent
Hydroxypropyltrimonium Honey	Body Care	acceptable		humectant
hydroxypropyltrimonium oligosaccharide	Body Care	acceptable		quat
Illite	Body Care	acceptable		anti-caking agent, absorbent
imidazolidinyl urea	Body Care	acceptable		preservative
Inositol	Body Care	acceptable		humectant, hair conditioner
Inulin	Body Care	acceptable		conditioning agent, emollient

Item Name	Type	Status	Qualifier	Functions
iodopropynyl butylcarbamate	Body Care	unacceptable		preservative
IPDI	Body Care	acceptable		thickener
iron oxide	Body Care	acceptable		colorant
Isoamyl laurate	Body Care	acceptable		emollient
Isobutane	Body Care	acceptable		propellant
Isoceteth-20	Body Care	acceptable		surfactant
isocetyl isostearate	Body Care	acceptable		emollient
Isocetyl Stearate	Body Care	acceptable		skin conditioning agent, emollient
Isocetyl Stearoyl Stearate	Body Care	acceptable		conditioner
Isododecane	Body Care	unacceptable		fragrance, emollient
Isoeicosane	Body Care	unacceptable		fragrance, emollient
Isohexadecane	Body Care	acceptable		solvent, emollient
Isononyl Isononanoate	Body Care	acceptable		skin conditioning agent
Isopentane	Body Care	acceptable		propellant
isopentyldiol	Body Care	acceptable		solvent
isopropyl alcohol (rubbing alcohol)	Body Care	acceptable		drying agent, solvent, astringent
isopropyl jojobate	Body Care	acceptable		emollient, skin conditioning
isopropyl methylphenol	Body Care	acceptable		preservative
isopropyl myristate	Body Care	acceptable		carrier, binder, texturizer
isopropyl palmitate	Body Care	acceptable		texturizer, emulsifier, surfactant
Isopropyl phenyl dimethicone	Body Care	acceptable		viscosity increasing agent
Isopropyl Stearate	Body Care	acceptable		Ester
Isopropyl Titanium Triisostearate	Body Care	acceptable		emollient
Isostearamidopropyl Morpholine Lactate	Body Care	acceptable		quat
Isostearyl Isostearate	Body Care	acceptable		skin conditioning agent, binder
jojoba alcohol	Body Care	acceptable		emollient
jojoba esters	Body Care	acceptable		plant based
jojoba oil	Body Care	acceptable		plant based
kaolin clay	Body Care	acceptable		mineral
keratin	Body Care	acceptable		nutrient (protein)
kojic acid	Body Care	acceptable		skin lightener
Kokum Butter	Body Care	acceptable		plant based
lactamidopropyl trimonium chloride	Body Care	acceptable		quat
lactic acid	Body Care	acceptable		acidulant, antioxidant
Lactobacillus Ferment Lysate Filtrate	Body Care	acceptable		protein
lactoperoxidase	Body Care	acceptable		preservative
lactose (milk sugar)	Body Care	acceptable		humectant, sweetener, crystalline control agent
lanolin	Body Care	acceptable		lubricant, base

Item Name	Type	Status	Qualifier	Functions
Lauramide MEA	Body Care	acceptable		surfactant
Lauramidopropylamine Oxide	Body Care	acceptable		conditioner, emollient
Laurdimoniumhydroxypropyl decylglucosides chloride	Body Care	acceptable		conditioning agent, quat
Laurdimoniumhydroxypropyl laurylglucosides chloride	Body Care	acceptable		conditioning agent, quat
Laureth-7	Body Care	acceptable		surfactant
laurethsulfosuccinate	Body Care	acceptable		surfactant; relabel: non INCI name
lauric acid	Body Care	acceptable		fatty acid
Lauroamphoglycinate	Body Care	acceptable		surfactant
Lauroyl Lysine	Body Care	acceptable		Ester
Lauryl Amidopropyl Betaine	Body Care	acceptable	non-INCI	surfactant
Lauryl betaine	Body Care	acceptable		surfactant
lauryl glucoside	Body Care	acceptable		cleansing agent, surfactant
lauryl glucoside betaine	Body Care	acceptable		Surfactant
Lauryl lactyl lactate	Body Care	acceptable		surfactant
lavender wax	Body Care	acceptable		wax
lecithin	Body Care	acceptable		emulsifier, nutrient, antioxidant
leuconostoc/radish root ferment filtrate	Body Care	acceptable		anti-microbial
lidocaine	Body Care	unacceptable		active
Limonene	Body Care	acceptable	only if natural	fragrance
Linalool	Body Care	acceptable	only if natural	fragrance
linoleic acid	Body Care	acceptable		essential fatty acid
lipcare products	Body Care	acceptable	Must meet food standards regarding flavors, colors, sweeteners, preservatives	
lithium stearate	Body Care	acceptable		emulsifier
Lysolecithin	Body Care	acceptable		emulsifier, surfactant
Magmetote (Fe3O4)	Body Care	acceptable		mineral
Magnesium Aluminum Silicate	Body Care	acceptable		mineral
Magnesium Ascorbyl Phosphate	Body Care	acceptable		vitamin C
magnesium carbonate	Body Care	acceptable		alkali, anticaking agent, nutrient
magnesium chloride	Body Care	acceptable		viscosity controlling agent
Magnesium citrate	Body Care	not reviewed		conditioning agent
Magnesium Myristate	Body Care	acceptable		emollient
Magnesium Oxide	Body Care	not reviewed		pH adjuster, buffering agent
Magnesium stearate	Body Care	acceptable		anti-caking agent, bulking agent
magnesium sulfate	Body Care	acceptable		mineral
Magnetite (Fe3O4)	Body Care	acceptable		mineral
Maltodextrin	Body Care	acceptable		binder, absorbent

Item Name	Type	Status	Qualifier	Functions
maltooligosyl glucoside	Body Care	acceptable		binder, film former, skin conditioning
mannan	Body Care	acceptable		film former
Mannitol	Body Care	acceptable		humectant, skin conditioning agent
MEA-containing ingredients	Body Care	acceptable		surfactant
melaleuca alternifolia (tea tree oil)	Body Care	acceptable		herb
Melanin	Body Care	unacceptable	Prohibited in all bodycare	active
Melatonin	Body Care	acceptable		antioxidant
menthol	Body Care	acceptable		aromatic oil
menthyl lactate	Body Care	acceptable		flavoring, fragrance
methicone	Body Care	acceptable		silicone derivative
Methocel USP (see cellulose, methyl)	Body Care	acceptable		fiber source, thickener, stabilizer
methoxycinnamate	Body Care	acceptable	non-INCI	sunscreen
Methyl Gluceth-10	Body Care	acceptable		surfactant
methyl glucose sesquisterate	Body Care	acceptable		emulsifier
methyl glyceth-20	Body Care	acceptable		surfactant
methyl glycol	Body Care	acceptable		emulsifier
methyl nicotinate	Body Care	unacceptable		skin conditioning agent
Methyl Propanediol	Body Care	acceptable		preservative
methyl rapeseed extract	Body Care	acceptable		anti-acne
Methyl soyate	Body Care	acceptable		skin conditioning
methylcellulose	Body Care	acceptable		thickener, stabilizer
methylchloroisothiazolinone	Body Care	unacceptable		preservative
methylisothiazolinone	Body Care	unacceptable		preservative
methylparaben	Body Care	acceptable	Unacceptable in oral care products	preservative
methylsilanol mannuronate	Body Care	acceptable		silicone derivative
mica	Body Care	acceptable		colorant
Microcrystalline Cellulose	Body Care	acceptable		anticaking agent, bulking agent
microcrystalline wax	Body Care	acceptable		emollient
mineral oil	Body Care	acceptable		emollient
montmorillonite	Body Care	acceptable		mineral
myristic acid	Body Care	acceptable		surfactant
myristyl alcohol	Body Care	acceptable		emulsifier
myristyl ether sulfate	Body Care	acceptable		cleansing agent, emulsifier, emollient
Myristyl Lactate	Body Care	acceptable		emollient
myristyl myristate	Body Care	acceptable		emollient
nanotechnology ingredients	Body Care	acceptable	<100 nm	minerals
NaPCA (Sodium PCA)	Body Care	acceptable		humectant
natural flavors	Body Care	acceptable		flavoring

Item Name	Type	Status	Qualifier	Functions
neem oil	Body Care	acceptable		plant based
neti pots	Body Care	acceptable	Label instructions need to clarify that recently boiled or distilled water should be used in the neti pot, and a shelf talker should be posted in the stores. For details, see ROCK <a href="http://rock/?p=1673">http://rock/?p=1673</a> .	
Niacinamide (vitamin B3)	Body Care	acceptable		hair conditioner, skin conditioning agent
nitrates	Body Care	acceptable		preservative
nitrocellulose	Body Care	acceptable		binder, texturizer, stabilizer
nonoxynol 10	Body Care	acceptable		surfactant dispersing agent
Nylon-12	Body Care	acceptable		active
oatmeal	Body Care	acceptable		plant based
Octadecanol	Body Care	acceptable		emulsion stabilizer, surfactant
octadecnonic acid (see stearic acid)	Body Care	acceptable		flavoring agent, emulsifier, filler
octinoxate	Body Care	acceptable		sunscreen
octisalate	Body Care	acceptable		sunscreen
octocrylene	Body Care	acceptable		sunscreen
Octyl dimethyl PABA	Body Care	acceptable		sunscreen
Octyl Dodecyl Neopentanoate	Body Care	acceptable		surfactant
octyl hydroxystearate	Body Care	acceptable		emulsifier
octyl methoxycinnamate	Body Care	acceptable		sunscreen
octyl palmitate	Body Care	acceptable		emulsifier
octyl stearate	Body Care	acceptable		emulsifier
Octyldecanol	Body Care	acceptable		emollient
Octyldodecanol	Body Care	acceptable	Acceptable only if documentation shows it is natural	solvent, emollient
Octyldodecyl Stearoyl Stearate	Body Care	acceptable		surfactant
Oleamidopropyl dimethylamine	Body Care	acceptable		anti static agent; conditioning agent
Olefin Sulfonate	Body Care	acceptable		surfactant
oleth (2-50)	Body Care	acceptable		thickener, emulsifier, surfactant
oleth-20	Body Care	acceptable		surfactant
oleth-3-phosphate	Body Care	acceptable		surfactant
oleyl betaine	Body Care	acceptable		surfactant
Oleyl Oleate	Body Care	acceptable		Ester
oral care products	Body Care	acceptable	must meet Food Quality Standards regarding flavors, colors, sweeteners and preservatives	oral care
oxybenzone	Body Care	acceptable		sunscreen
P-anisic acid	Body Care	acceptable		antiseptic

Item Name	Type	Status	Qualifier	Functions
P-phenylenediamine	Body Care	acceptable	more explanation under 'internal description'	hair dye
PABA (Para-Aminobenzoic Acid	Body Care	acceptable		nutrient (Vit B), sunscreen
palm glyceride	Body Care	acceptable		humectant, emulsifier
palm kernel glyceride	Body Care	acceptable		emollient
palm kernel oil	Body Care	acceptable		fat, emulsifier
palm oil	Body Care	acceptable		fat, emulsifier
palmitate (salt of palmitic acid)	Body Care	acceptable		oil base
palmitic acid	Body Care	acceptable		texturizer, emulsifier, surfactant
Palmitoyl dipeptide-5 diaminobutyloyl hydroxythreonine	Body Care	acceptable		active
Palmitoyl dipeptide-5 diaminohydroxybutylrate	Body Care	acceptable		active
palmitoyl glycine	Body Care	acceptable		active
palmitoyl oligopeptide	Body Care	acceptable		active
Palmitoyl Pentapeptide-3	Body Care	acceptable		active
palmitoyl proline	Body Care	acceptable		active
Palmitoyl Tripeptide-5	Body Care	acceptable		skin conditioning
panthenol	Body Care	acceptable		humectant, nutrient
panthenyl ethyl ether	Body Care	acceptable		conditioning agent
panthenyl triacetate	Body Care	acceptable		hair conditioner, anti-static
papain	Body Care	acceptable		enzyme
Para-Aminobenzoic Acid (see PABA)	Body Care	acceptable		nutrient (Vit B), sunscreen
parabens	Body Care	acceptable	Unacceptable in oral care products	preservative
paraphenylenediamine	Body Care	acceptable	with concerns - see "internal description"	hair dye
parfum	Body Care	acceptable		fragrance
parsol	Body Care	acceptable		sunscreen
PCA Glyceryl Oleate	Body Care	acceptable		emulsifier, antioxidant
PCA-ethyl cocoyl arginate	Body Care	acceptable		conditioning agent
pearl powder	Body Care	acceptable		active
PEG (see polyethylene glycol)	Body Care	acceptable		moisture retardant, flavoring agent, Filler
PEG 35 (stearate) castor oil	Body Care	acceptable		emulsifier
PEG-10 Sunflower Glycerides	Body Care	acceptable		Emulsifier
PEG-120 Methyl Glucose Dioleate	Body Care	acceptable		Emulsifier
PEG-150 distearate	Body Care	acceptable		Emulsifier
PEG-150 Pentaerythrityl Tetrastearate	Body Care	acceptable		Emulsifier
PEG-20 glyceryl triisostearate	Body Care	acceptable		surfactant, emollient
PEG-20, 100 stearate	Body Care	acceptable		Emulsifier

Item Name	Type	Status	Qualifier	Functions
PEG-40 hydrogenated castor oil	Body Care	acceptable		Emulsifier
Peg-55 Propylene Glycol Oleate	Body Care	acceptable		Emulsifier
PEG-6 Caprylic/Capric glycerides	Body Care	acceptable		Emulsifier
PEG-7 Glyceryl Cocoate	Body Care	acceptable		Emulsifier
PEG/PPG-20/15 dimethicone	Body Care	acceptable		silicone derivative
pennyroyal	Body Care	acceptable	in topical products only	diaphoretic, carminative, sedative, emmenagogue
pentaerythrityl distearate	Body Care	acceptable		emulsifier
Pentaerythrityl Tetra-di-t-butyl Hydroxyhydrocinnamate	Body Care	acceptable		sunscreen
Pentaerythrityl Tetra-Di-T-Butyl Hydroxyhydrocinnamate	Body Care	acceptable		antioxidant
Pentaerythrityl Tetraisostearate	Body Care	acceptable		skin conditioning agent, binder
pentaerythrityl tetrastearate	Body Care	acceptable		Viscosity builder
Pentasodium Pentetate	Body Care	acceptable		chelator
pentylene glycol	Body Care	acceptable		Solvent
Perfluoroisohexane	Body Care	unacceptable		active
perfluorodecalin	Body Care	unacceptable		solvent
petrolatum	Body Care	acceptable		lubricant, emollient
phenethyl alcohol	Body Care	acceptable		preservative
phenoxyethanol	Body Care	acceptable		preservative, fragrance
Phenoxyethanol (and) Caprylyl Glycol	Body Care	acceptable		Preservative
phenyl-butyl-nitrate	Body Care	acceptable	non-INCI	active
phenylbenzimidazole-5-sulfonic acid	Body Care	acceptable		sunscreen
Phenylpropanol	Body Care	acceptable		Preservative, solvent
phenyltrimethicone	Body Care	acceptable		silicone derivative
Phospholipids	Body Care	acceptable		skin conditioning agent
phthalate	Body Care	unacceptable		carrier
Phytic Acid	Body Care	acceptable		chelator
placental protein	Body Care	unacceptable		active
polaxamer 335	Body Care	acceptable		surfactant
polyacrylamide	Body Care	acceptable		polymer
Polyacrylate-13	Body Care	acceptable		film former
Polyamide-8	Body Care	acceptable		polymer
polyaminopropyl biguanide	Body Care	acceptable		preservative, antibacterial
Polybutene	Body Care	acceptable		Solvent
Polydecene	Body Care	acceptable		skin conditioning agent, polymer
Polyethylene	Body Care	acceptable		binder, bulking agent, abrasive
polyethylene glycol (PEG)	Body Care	acceptable		moisture retardant, flavoring agent, Filler

Item Name	Type	Status	Qualifier	Functions
polyethylene terephthalate	Body Care	unacceptable		carrier
Polyglyceryl -10 Behenate/Eicosadioate	Body Care	acceptable		skin conditioning agent
polyglyceryl -2 dipolyhydroxystearate	Body Care	acceptable		emulsifier
Polyglyceryl Methacrylate	Body Care	acceptable		viscosity controlling agent
Polyglyceryl-10 Laurate	Body Care	acceptable		skin conditioning agent
polyglyceryl-10 laurate	Body Care	acceptable		skin conditioning agent, surfactant
Polyglyceryl-2 Sesquioleate	Body Care	acceptable		skin conditioning agent
Polyglyceryl-2 stearate	Body Care	acceptable		skin conditioning agent
polyglyceryl-3 beeswax	Body Care	acceptable		
Polyglyceryl-3 caprate	Body Care	acceptable		skin conditioning agent, surfactant, emollient
polyglyceryl-3 diisostearate	Body Care	acceptable		emulsifier
Polyglyceryl-3 Methylglucose Distearate	Body Care	acceptable		emollient
Polyglyceryl-3 Palmitate	Body Care	acceptable		skin conditioning agent
Polyglyceryl-3 Polyricinoleate	Body Care	acceptable		emollient
Polyglyceryl-3 Ricineoleate	Body Care	acceptable		emulsifier
polyglyceryl-3 ricinoleate	Body Care	acceptable		emollient
polyglyceryl-3 stearate	Body Care	acceptable		skin conditioning agent, Surfactant
polyglyceryl-4 caprate	Body Care	acceptable		skin conditioning agent
Polyglyceryl-4 Isostearate	Body Care	acceptable		emollient
Polyglyceryl-4 Laurate/Succinate	Body Care	acceptable		skin conditioning agent, surfactant
polyglyceryl-4 oleate	Body Care	acceptable		emollient, skin conditioning
Polyglyceryl-6 caprylate	Body Care	acceptable		skin conditioning agent
Polyglyceryl-6 Dicaprate	Body Care	acceptable		skin conditioning agent
Polyglyceryl-6 Distearate	Body Care	acceptable		skin conditioning agent
polyhydroxy stearic acid	Body Care	acceptable	not from tallow	suspending agent
polyimide 1	Body Care	unacceptable		film former
polyisobutene	Body Care	acceptable		Solvent
polylysine	Body Care	acceptable		preservative
Polypodium decumanum (amazon samambaia)	Body Care	acceptable		antioxidant
polypropylene glycol	Body Care	acceptable		solvent
Polyquaternium 7, 10, 11	Body Care	acceptable		anti-static agent, film former
Polyquaternium-51	Body Care	acceptable		skin conditioning agent, film former
polysilicone-11, -15	Body Care	acceptable		silicone derivative
polysorbate 20, 60, 65, or 80	Body Care	acceptable		emulsifiers
Polyurethane-14	Body Care	acceptable		hair conditioner, film former
polyvinylpyrrolidone	Body Care	acceptable		thickener, stabilizer

Item Name	Type	Status	Qualifier	Functions
potassium alum	Body Care	acceptable		astringent
potassium aspartate	Body Care	acceptable		skin conditioning agent
Potassium C12-13 Alkyl Phosphate	Body Care	acceptable		Surfactant
Potassium Cetyl Phosphate	Body Care	acceptable		emulsifier
potassium chloride	Body Care	acceptable		salt substitute, nutrient
Potassium citrate	Body Care	acceptable		chelator, buffering agent
Potassium cocoate	Body Care	acceptable		surfactant
potassium hydroxide	Body Care	acceptable		ph control agent
potassium iodide	Body Care	acceptable		antimicrobial
Potassium Myristate	Body Care	acceptable		Ester
potassium nitrate in toothpaste	Body Care	acceptable	see <a href="http://w3/wf_library/potassiumnitrate.html">http://w3/wf_library/potassiumnitrate.html</a>	active ingredient
potassium oleate	Body Care	acceptable		surfactant
Potassium Olivoyl PCA	Body Care	acceptable		Emulsifier, surfactant
Potassium Palmitoyl Hydrolysed Wheat Protein	Body Care	acceptable		conditioning agent
potassium sorbate	Body Care	acceptable	acceptable in body care and some dietary supplements only. Check with the QS team if you have any questions.	preservative, antimycotic agent
potassium stearate	Body Care	acceptable		surfactant
PPG-12/SMDI Copolymer	Body Care	acceptable		Hair conditioner, film former
PPG-15 stearyl ether	Body Care	acceptable		skin conditioning agent, emollient
PPG-30	Body Care	acceptable		solvent
propanediol	Body Care	acceptable	Any "no propylene glycol" labels claims must be accompanied by a disclaimer clarifying that the product does not contain "1,2-propanediol."	solvent
propanediol dicaprylate	Body Care	acceptable	no penetration issues due to "dicaprylate"	humectant
Propyl Gallate	Body Care	acceptable		antioxidant
propylene carbonate	Body Care	acceptable		solvent, viscosity controlling agent
propylene glycol	Body Care	acceptable		humectant, solvent
propylene glycol alginate	Body Care	acceptable		thickening agent
Propylheptyl Caprylate	Body Care	acceptable		silicone substitute
propylparaben	Body Care	acceptable	Unacceptable in oral care products	preservative
Providone (see polyvinylpyrrolidone)	Body Care	acceptable		thickener, stabilizer
PTFE (teflon)	Body Care	unacceptable		bulking agent, skin conditioning
Pullulan	Body Care	acceptable		polymer
pumice	Body Care	acceptable		mineral
pvp/eicosene copolymer	Body Care	acceptable		polymer

Item Name	Type	Status	Qualifier	Functions
pvp/va copolymer	Body Care	acceptable		polymer
pyridoxine	Body Care	acceptable		nutrient (Vit B6)
Quaternium 87	Body Care	acceptable		hair conditioner, quat, surfactant
Quaternium 95 (and) 1,3 Propanediol	Body Care	acceptable		hair conditioner
quaternium-15	Body Care	acceptable		emollient
quaternium-18	Body Care	acceptable		emollient
Rapeseed oil	Body Care	acceptable		plant based
Resveratrol	Body Care	acceptable		antioxidant
retinol	Body Care	acceptable		nutrient
retinyl palmitate	Body Care	acceptable		nutrient (Vit A)
rH-oligopeptide 1	Body Care	acceptable	Unacceptable in the UK region because ingredient is banned by the EU	active
riboflavin	Body Care	acceptable		nutrient (Vit B6)
Ricinoleylpropyl PG-Dimonium Chloride Phosphate	Body Care	acceptable		quat
Royal Jelly	Body Care	acceptable		flavoring agent, base, coating agent
Saccharide Isomerate	Body Care	acceptable		humectant
safflower oleosomes	Body Care	acceptable		humectant, emulsifier
salicylic acid	Body Care	acceptable		preservative, pH control agent, anti-acne
sclerotium gum	Body Care	acceptable		emulsion stabilizer, viscosity increasing agent
SD-alcohol 30	Body Care	acceptable		preservative
SD-alcohol 40	Body Care	acceptable		preservative
Sea salt (see Sodium Chloride)	Body Care	acceptable		mineral
Sea Silt	Body Care	acceptable		skin conditioning agent
seaweed cytosera	Body Care	acceptable		seaweed cell extract
Sesame oil	Body Care	acceptable		plant based
Shea butter	Body Care	acceptable		plant based
shellac	Body Care	acceptable		film former
Silanetriol	Body Care	acceptable		hair conditioner
silica	Body Care	acceptable		binder, nutrient
Silica Dimethyl Silylate	Body Care	acceptable		silicone derivative
silica silylate	Body Care	acceptable		silicone derivative
silicon dioxide	Body Care	acceptable		excipient
silver citrate	Body Care	unacceptable		preservative
silver dihydrogen citrate	Body Care	unacceptable		anti-microbial
simethicone	Body Care	acceptable		anti-foaming agent, base
Sipernat (see silicon dioxide)	Body Care	acceptable		excipient

Item Name	Type	Status	Qualifier	Functions
soapstone (see talc)	Body Care	acceptable		excipient, base
sodium acrylate	Body Care	acceptable		viscosity builder
sodium alginate	Body Care	acceptable		gelling agent, thickener
sodium anisate	Body Care	acceptable		active, chelator
sodium ascorbate	Body Care	acceptable		antioxidant (Vitamin C)
sodium ascorbyl phosphate	Body Care	acceptable		vitamin C
sodium behenoyl lactylate	Body Care	acceptable		surfactant
sodium benzoate in body care	Body Care	acceptable		preservative, antimycotic agent
sodium bicarbonate	Body Care	acceptable		buffer (also known as baking soda), leavening agent
sodium bisulfite	Body Care	unacceptable		preservative, color retention agent, antioxidant
Sodium borate	Body Care	acceptable		mineral
Sodium C14-16 Olefin Sulfonate	Body Care	acceptable		surfactant
sodium caproyl lactylate	Body Care	acceptable		suractant
sodium carbonate	Body Care	acceptable		humectant
sodium carboxymethyl lauryl glucoside	Body Care	acceptable		Sufactant
sodium carboxymethylcellulose	Body Care	acceptable		binder, thickener, stabilizer
sodium carrageenan	Body Care	acceptable		binder, thickener, emulsifier
sodium cetearyl sulfate	Body Care	acceptable		surfactant
sodium chloride (sea salt)	Body Care	acceptable		mineral
sodium citrate	Body Care	acceptable		emulsifier, sequestrant, buffer
Sodium Coco-Glucoside Tartrate	Body Care	acceptable		surfactant
Sodium coco-sulfate	Body Care	acceptable		surfactant
Sodium Cocoabutteramphoacetate	Body Care	acceptable		Surfactant
Sodium cocoamphoacetate	Body Care	acceptable		surfactant
Sodium cocoate	Body Care	acceptable		surfactant
sodium cocopolyglucose tartrate	Body Care	acceptable		surfactant
sodium cocoyl apple amino acids	Body Care	acceptable		conditioning agent, surfactant
sodium cocoyl glutamate	Body Care	acceptable		flavoring agent, surfactant
Sodium Cocoyl Hydrolyzed Soy Protein	Body Care	acceptable		surfactant
sodium cocoyl isethionate	Body Care	acceptable		surfactant
sodium cocoyl lactylate	Body Care	acceptable		surfactant
Sodium Cocoyl Methyltaurate	Body Care	acceptable		surfactant
sodium cocoyl sarcosinate	Body Care	acceptable		surfactant
sodium cocoyl sulfate	Body Care	acceptable		surfactant
sodium cocoyl sulfoacetate	Body Care	acceptable		surfactant
Sodium decylglucosides hydroxypropyl sulfonate	Body Care	acceptable		surfactant

Item Name	Type	Status	Qualifier	Functions
sodium dehydroacetate	Body Care	acceptable		preservative
Sodium dilinoleate	Body Care	acceptable		fatty acid based
Sodium Dodecylbenzene Sulfonate	Body Care	unacceptable		surfactant
Sodium Erythorbate	Body Care	acceptable		antioxidant
Sodium gluconate	Body Care	acceptable		skin conditioning agent, chelator
Sodium hyaluronate	Body Care	acceptable		active
sodium hydroxide	Body Care	acceptable		ph control agent
sodium hydroxymethylglycinate	Body Care	acceptable		preservative
sodium isethionate	Body Care	acceptable		anti static agent; conditioning agent
sodium isostearoyl lactylate	Body Care	acceptable		surfactant
Sodium kernelate	Body Care	acceptable		surfactant
sodium lactate	Body Care	acceptable		humectant, buffering agent
sodium laureth sulfate	Body Care	acceptable		sudsing agent, emulsifier
sodium lauroamphoacetate	Body Care	acceptable		Surfactant
sodium lauroyl glutamate	Body Care	acceptable		Surfactant
Sodium Lauroyl Lactylate	Body Care	acceptable		Surfactant
Sodium Lauroyl Methyl Isethionate	Body Care	acceptable		surfactant
Sodium lauroyl sarcosinate	Body Care	acceptable		Surfactant
Sodium Lauryl Glucose Carboxylate	Body Care	acceptable		surfactant
Sodium Lauryl Glucosideoxyacetate	Body Care	acceptable		surfactant
sodium lauryl sulfate	Body Care	acceptable		sudsing agent, excipient, emulsifier
Sodium lauryl sulfoacetate	Body Care	acceptable		surfactant
sodium lauryl sulfoacetate	Body Care	acceptable		Surfactant
Sodium Laurylglucosides Hydroxypropylsulfonate	Body Care	acceptable		surfactant
Sodium Levulinate	Body Care	acceptable		preservative
Sodium Magnesium Silicate	Body Care	acceptable		binder, bulking agent
Sodium metabisulfite	Body Care	acceptable		antioxidant
Sodium Methyl Cocoyl Taurate	Body Care	acceptable		surfactant
Sodium Methyl Oleoyl Taurate	Body Care	acceptable		surfactant
sodium myreth sulfate	Body Care	acceptable		emulsifier, surfactant
Sodium Myristate	Body Care	acceptable		Sufactant
Sodium Myristoyl Glutamate	Body Care	acceptable		Sufactant
Sodium Myristoyl sarcosinate	Body Care	acceptable		surfactant
sodium oleoyl sarcosinate	Body Care	acceptable		surfactant
Sodium Olivat	Body Care	acceptable		surfactant, emollient
Sodium Palm Kernelate	Body Care	acceptable		surfactant
Sodium palmate	Body Care	acceptable		surfactant
sodium PCA (NaPCA)	Body Care	acceptable		humectant

Item Name	Type	Status	Qualifier	Functions
Sodium PEG-7 Olive Oil Carboxylate	Body Care	acceptable		surfactant
sodium phosphate monobasic	Body Care	acceptable		buffering agent
sodium phytate	Body Care	acceptable		chelator
sodium polyacrylate	Body Care	acceptable		polymer
Sodium silicate	Body Care	acceptable		pH adjuster
sodium stearate	Body Care	acceptable		gelling agent, thickener, emulsifier
sodium stearoyl glutamate	Body Care	acceptable		conditioner and emulsifier
Sodium Stearoyl Lactylate	Body Care	acceptable		surfactant
Sodium sulfate	Body Care	acceptable		viscosity builder
sodium sulfite	Body Care	acceptable		preservative
sodium sweetalmondamphoacetate	Body Care	acceptable		hair conditioner
Sodium Trideceth Sulfate	Body Care	acceptable		surfactant
Sodium Usinate	Body Care	acceptable		anti-bacterial
sorbate (see potassium sorbate)	Body Care	acceptable		preservative, antimycotic
Sorbeth-30 tetraoleate	Body Care	acceptable		surfactant
sorbic acid in body care products	Body Care	acceptable	Except unacceptable in Premium oral care. See: <a href="http://rock/?p=1670">http://rock/?p=1670</a>	preservative, antimycotic agent
sorbitan isostearate	Body Care	acceptable		surfactant
Sorbitan laurate	Body Care	acceptable		surfactant
sorbitan monooleate	Body Care	acceptable		stabilizer
sorbitan oleate	Body Care	acceptable		stabilizer
Sorbitan olivate	Body Care	acceptable		emulsifier, surfactant
Sorbitan Sesquicaprylate	Body Care	acceptable		Surfactant
Sorbitan Sesquioleate	Body Care	acceptable		emulsifier
Sorbitan stearate	Body Care	acceptable		emulsifier
sorbitan tri-oleate	Body Care	acceptable		stabilizer
sorbitan tristearate	Body Care	acceptable		texturizer, emulsifier
sorbitol	Body Care	acceptable		sugar alcohol
soyamide DEA	Body Care	unacceptable		surfactant
soyamidopropalkonium chloride	Body Care	acceptable		quat
soyamidopropyl betaine	Body Care	acceptable		surfactant
squalane	Body Care	unacceptable	only shark-derived squalene unacceptable	lubricant, emollient
Squalene	Body Care	unacceptable	only shark derived squalene is unacceptable; intermediary in the manufacture of squalane	Hair conditioner, skin conditioning agent, emollient
Stearalkonium chloride	Body Care	acceptable		conditioner
stearalkonium hectorite (see hectorite)	Body Care	acceptable		gelling agent, thickener
stearamidopropyl dimethyl amine	Body Care	acceptable		quat

Item Name	Type	Status	Qualifier	Functions
Stearamidopropyl dimethylamine lactate	Body Care	acceptable		anti static agent; conditioning agent
Steardimonium	Body Care	acceptable		RELABEL: non-INCI name
Steardimonium Chloride	Body Care	acceptable	non-INCI	quat
steareth-2, 20, 21, 100 etc	Body Care	acceptable		surfactant
stearic acid	Body Care	acceptable		flavoring agent, emulsifier, filler
Stearoxytrimethylsilane	Body Care	acceptable		silicone derivative
Stearydimoniumhydroxypropyl decylglucosides chloride	Body Care	acceptable		conditioning agent, quat
Stearydimoniumhydroxypropyl laurylglucosides chloride	Body Care	acceptable		conditioning agent, quat
stearyl alcohol	Body Care	acceptable		thickener, lubricant, emollient
stevia	Body Care	acceptable	cannot be represented as sweetener or flavoring on labeling	herb
Styrax Benzoin Gum	Body Care	acceptable		skin conditioning agent
styrene-pvp copolymer	Body Care	acceptable		polymer
Styrene/acrylates polymer	Body Care	acceptable		film former
Sucrose	Body Care	acceptable		humectant, skin conditioning
sucrose cocoate	Body Care	acceptable		surfactant
Sucrose distearate	Body Care	acceptable		skin conditioning agent, Surfactant
Sucrose Laureate	Body Care	acceptable		humectant
Sucrose Palmitate	Body Care	acceptable		Surfactant
sucrose stearate	Body Care	acceptable		emollient
Sulfated Castor Oil	Body Care	acceptable		oil
super oxide dismutase	Body Care	acceptable		active
Synthetic Beeswax	Body Care	acceptable		binder, emulsion stabilizer
synthetic fluorphlogopite	Body Care	unacceptable		bulking agent
synthetic fragrance	Body Care	acceptable		fragrance
Synthetic Wax	Body Care	acceptable		binder, emulsion stabilizer
Sytrax Benzoin Gum	Body Care	acceptable		skin conditioning agent
talc	Body Care	acceptable	only if purified in accordance with USP29 Talc monograph.	excipient, base
tallow	Body Care	unacceptable		animal fat used in soaps
tamanu oil	Body Care	acceptable		oil
tapioca starch	Body Care	acceptable		viscosity increasing agent
Tattoos, temporary	Body Care	not reviewed	Ingredients need to meet Baseline Quality Standards for Body Care.	
TEA-Carbomer	Body Care	acceptable		polymer
TEA-Lauryl Sulfate	Body Care	acceptable		surfactant
teeth whitening products	Body Care	acceptable	Products must be reviewed on a case by case basis by the QS team.	

Item Name	Type	Status	Qualifier	Functions
Tetrahexyldecyl Ascorbate	Body Care	acceptable		active
Tetrahydroxypropyl Ethylenediamine	Body Care	acceptable		quat
tetrasodium EDTA	Body Care	acceptable		sequestrant, antioxidant
Tetrasodium Etidronate	Body Care	acceptable		chelator
Tetrasodium glutamate diacetate	Body Care	acceptable		chelator
Tetrasodium N,N-bis(carboxymethyl) L-Glutamate	Body Care	acceptable		chelator
thiamin mononitrate	Body Care	acceptable		nutrient (vitamin B1)
Thiotic Acid	Body Care	acceptable	INCI noncompliant name	RELABEL: non-INCI name
tin oxide	Body Care	acceptable		mineral
titanium dioxide	Body Care	acceptable		colorant
tocopherols	Body Care	acceptable		nutrient (vitamin E), antioxidant
tocopheryl acetate	Body Care	acceptable		nutrient (vitamin E acetate), antioxidant
Tolnaftate	Body Care	acceptable		fungicide
Totarol	Body Care	acceptable		antioxidant
tragacanth gum (see gum tragacanth)	Body Care	acceptable		thickener
Trehalose	Body Care	acceptable		humectant
Tri Alkyl Citrate	Body Care	acceptable		Relabel: non-INCI name
tribehenin	Body Care	acceptable		skin conditioning agent
Tricaprylin	Body Care	acceptable		fatty acid, emulsifier
triclocarban	Body Care	unacceptable		anti-microbial
Triclosan	Body Care	unacceptable		preservative, bactericide
Trideceth-12	Body Care	acceptable		surfactant
Tridecyl Neopentanoate	Body Care	acceptable		emollient
tridecyl salicylate	Body Care	acceptable		emollient
triethanolamine (TEA)	Body Care	acceptable		pH adjuster, neutralizer
triethoxycarpylsilane	Body Care	acceptable	non-INCI	silicone derivative
Triethyl Citrate	Body Care	acceptable		deodorant, antioxidant
Triethylhexanoin	Body Care	acceptable		hair conditioner
Trihydroxystearin	Body Care	acceptable		fatty acid based
trimethylsiloxysilicate	Body Care	acceptable		silicone derivative
Tripalmitin	Body Care	acceptable		fatty acid based
trisodium EDTA (see tetrasodium EDTA)	Body Care	acceptable		sequestrant, antioxidant
Trisodium ethylenediamine disuccinate	Body Care	acceptable		chelator
tromethamine stearate	Body Care	acceptable		quat
tropolone	Body Care	acceptable		preservative
tyrosine	Body Care	acceptable		non-essential amino acid
Ultramarines	Body Care	unacceptable	Acceptable in cosmetics only	colorant (artificial)

Item Name	Type	Status	Qualifier	Functions
undecylenoyl glycine	Body Care	acceptable		Surfactant, conditioning agent
urea	Body Care	acceptable		humectant, antiseptic
VA/Butyl Maleate/Isobornyl Acrylate Copolymer	Body Care	acceptable		thickener
vanillin	Body Care	acceptable		artificial flavor
vanillyl butyl ether	Body Care	unacceptable		conditioning agent
vegetable gums	Body Care	acceptable		thickener, emulsifier, stabilizer
Vegetable oils	Body Care	acceptable		plant based
vital wheat gluten	Body Care	acceptable		hair conditioner
Water Caprolactam/VP/Dimethylaminoethyl Methacrylate Copolymer	Body Care	acceptable		skin conditioning agent, film former
Wheat germamidopropyl betaine	Body Care	acceptable		quat
Wheatgermamidopropyl Dimethylamine	Body Care	acceptable		conditioner
willow bark extract	Body Care	acceptable		anesthetic, sunscreen, fungicide
Wintergreen Oil	Body Care	acceptable		oil
Witch hazel	Body Care	acceptable		plant based
xanthan/xanthane gum	Body Care	acceptable		thickener, emulsifier, stabilizer
Xanthophyll	Body Care	acceptable		coloring
xylitol	Body Care	acceptable		sugar alcohol
Xylitylglucoside	Body Care	acceptable		humectant, skin conditioning agent
Zeolite	Body Care	acceptable		deodorant, absorbent
Zinc Carbonate	Body Care	acceptable		mineral
zinc chloride	Body Care	acceptable		deodorant, antiseptic
zinc citrate	Body Care	acceptable		oral care
Zinc lactate	Body Care	acceptable		deodorant, astringent
zinc oxide	Body Care	acceptable		sunscreen, antiseptic, astringent
Zinc pyrithione	Body Care	acceptable		antidandruff agent
Zinc Ricinoleate	Body Care	acceptable		Anit-odor
zinc stearate	Body Care	acceptable		texturizer, thickener
